

NEW Groove x Groove Clamps with Baylast™ Gasket

Finally, an inexpensive groove x groove clamp that is compatible with Ethanol, ULSD, bio-diesel and gasoline! Dixon introduces our new 2", 3" and 4" groove x groove clamps with Baylast™ gasket seals.

- Light weight, quality aluminum clamps ensure a leak-tight connection. Unlike steel groove clamps that secure pipe ends with high clamp force against the tubing walls, the Dixon bolted clamp takes the full bolt force and locks in the groove of the tube preventing distortion of the tube diameter.
- Precision casting and machined dimensions provide an exact fit and great appearance.
- Use of lock nuts prevents clamps from loosening in high vibration applications.
- Baylast™ rated for biodiesel, Ethanol, diesel, gas and ULSD

Part #	Description
DBV-BL200	2" aluminum clamp with Baylast™ seal
DBV-BL300	3" aluminum clamp with Baylast™ seal
DBV-BL400	4" aluminum clamp with Baylast™ seal
G200BL	2" Baylast™ grooved coupling gasket
G300BL	3" Baylast™ grooved coupling gasket
G400BL	4" Baylast™ grooved coupling gasket
