

## Victaulic Clamps

*Dixon introduces our new 2", 3" and 4" groove by groove bolted clamps for the dry bulk and petroleum tank truck industries. Finally, a reliable source of high quality aluminum clamps designed for tank truck applications!*

- Light weight, quality aluminum clamps ensure a leak-tight connection. Unlike steel groove clamps that secure pipe ends with high clamp force against the tubing walls, the Dixon bolted clamp takes the full bolt force and locks in the groove of the tube preventing distortion of the tube diameter.
- Precision casting and machined dimensions provide an exact fit and great appearance.
- Use of lock nuts prevents clamps from loosening in high vibration applications.
- Viton® B rated for 100% biodiesel and Ethanol
- Buna-N rated for standard petroleum and Ethanol service
- White buna-N for use in dry bulk food applications

Part #	Description
<b>NEW</b> DBV-VB200	2" aluminum bolted clamp with Viton® B
DBV-VB300	3" aluminum bolted clamp with Viton® B
DBV-VB400	4" aluminum bolted clamp with Viton® B
<b>NEW</b> DBV-BN200	2" aluminum bolted clamp with Viton® B
DBV-BN300	3" aluminum bolted clamp with buna-N
DBV-BN400	4" aluminum bolted clamp with buna-N
DBV-WB400	4" aluminum bolted clamp with white buna-N
<b>NEW</b> G200VB	2" Viton® B grooved coupling gasket
G300VB	3" Viton® B grooved coupling gasket
G400VB	4" Viton® B grooved coupling gasket
<b>NEW</b> G200T	2" buna-N grooved coupling gasket
G300T	3" buna-N grooved coupling gasket
G400T	4" buna-N grooved coupling gasket
G400N	4" white buna-N grooved coupling gasket
